PHONE BOOK RECYCLING!

The annual Northern Nevada AT&T Real Yellow Pages "Project ReDirectory" phone book recycling program has begun and runs through February 5th, 2012. This program focuses on Washoe County, Reno, and Sparks, however, phone book recycling is available in Carson City and Incline Village as well, through Waste Management. If you are in Carson City, drop-off locations will be available through the end of January. Phone books can be recycled with regular curbside recycling in Las Vegas and Incline Village. AT&T Real Yellowpages will donate trees to area parks when phone books are recycled at select Reno, Sparks and Washoe County park locations.
